Security Screen Referral Program

How does the Security Screen Referral Program work?

We are offering you 3% per referral fee of the contract price up to a maximum referral fee of \$500.00 per referral. For example, if you refer us to someone and their contract is \$5,000.00 you would earn \$150.00.

Who is eligible to earn a referral fee?

It does not matter if you are a current or former customer, vendor, a subcontractor of Trend Builders/Trend Security Screens or you just saw our work and recommend us to a potential customer.

How do we keep track to make sure you get your referral fee?

When a new call comes in, we will ask: "Who referred you to Trend Security Screens?"

Make sure whomever you refer us to that they mention your name when they call us.

You can also call or email Dave (dave.c@trendbuilders.net) with the contact information on the person you referred to us. We will not contact them unless you specifically ask us to.

When would you receive payment?

Once we complete the project and the customer has paid us in-full. At this point, we would call you to find out where to send the check to.

For those of you that have referred Trend Builders in the past, we want to express our deepest appreciation. Your referrals keep us in business!

Best regards,

Gary L. Cochrane, President
